BULK TRASH COLLECTION IS BACK:

How To Get Bulk Items Collected: Once a month, Baltimoreans can place up to three items out for bulk collection. One day per month is set aside for this collection. Call 311 and tell us your address, **telephone number, and what three items.** Call us 3 or more working days before your scheduled date. Your bulk trash day remains the same in 2007. If you do not know your day, please call 311 or schedule your collection using [311 Online](#).

What is bulk? Bulk items are furniture, appliances and up to 4 tires with the rims removed. All items must be clearly marked "bulk collection," and placed at the same location as regular trash pickup. Residents with a rear pickup should leave items at the end of the yard and leave the gate unlocked.

The Waverly Standard

In believing that your block, our neighborhood and this City should be a desirable place to live, work and raise a family; I understand that this is only possible through the cooperative ongoing efforts of law abiding, concerned residents working hand in hand with each other, our police department, and city agencies, and it is our desire to be a responsible neighbor and to work toward that goal; and therefore I agree I will:

- Keep the street, sidewalk, and gutter in front of my house clean and free from trash and weeds
- Keep porch lights on at night
- Promptly repair any broken windows in my home
- Keep the exterior of my home clean and in good repair
- Keep my rear yard free from trash and litter
- Keep my grass (if any) cut as required by City law
- Promptly put out my trash in a trash can with a tight fitting lid. **Waverly's trash days are on Tuesday, recycling days are on Thursday.**
- Promptly remove any snow and ice from my sidewalk in front of my home
- Not abuse parking privileges nor abandon vehicles on the street
- Report suspicious people, circumstances, or vehicles to the police.
- Report neighborhood problems to my block captain
- Attend meetings called by my block captain and work with my neighbors
- Ensure that my children (if any) obey curfew laws and respect the privacy of others
- Obey all noise laws. (10PM during the week and 11PM on the weekend)
- Participate in neighborhood clean-ups, and report violators of littering statues.
- ***Strive at all times to be a good and responsible neighbor!***

These are the standards of the Waverly Community. We hope that as good neighbors you will work to keep up the standard so that we can continue to have a clean, safe, drug free community.
